Top 25 Hispanic Non-Profits

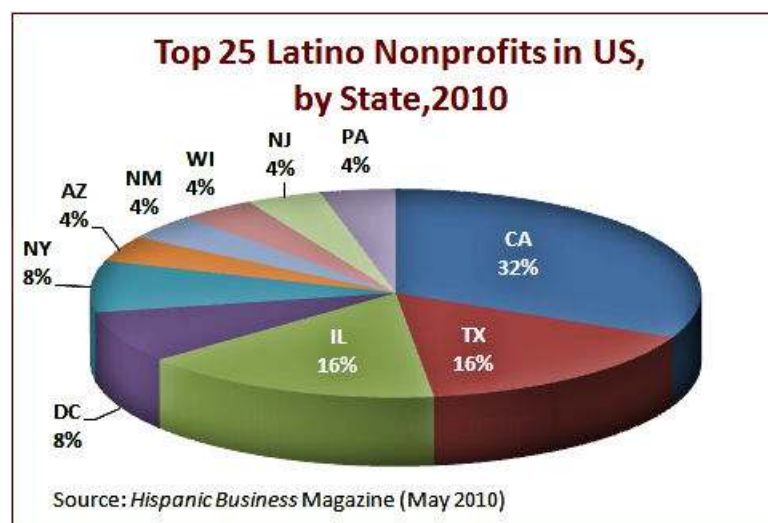

Dominated by Health Care Organizations, the Top 25 Latino Non-profits Move Closer to Capturing \$1 Billion in Total Expenditures

By *Hispanic Business* (May 2010)

Nonprofit organizations were identified from Internet database lists of tax-exempt organizations in the 50 states and the District of Columbia. A list of these organizations was sorted by financial criteria and screened for descriptions related to Hispanic issues. Qualified organizations were sent a survey asking for information. Organizations were ranked on the basis of annual expenditures.

While *Hispanic Business* Magazine makes every attempt to locate and include the largest Hispanic nonprofit organizations in the country, we cannot list organizations that do not submit information by our deadline.

To ensure that a particular nonprofit organization is considered for future directories, readers may send the name of the organization, along with the contact person, mailing address, phone, fax and e-mail address via fax to (805) 964-6139 or via e-mail to research@hbinc.com.
